Module 16 – Chapter: The Law of Karma and The Law of Forgiveness – Subconscious Direction and Seeing Success

From this day forward, give your Subconscious Direction. Every morning and throughout your day evaluate your energy and use your tools to maintain the highest vibration of love energy possible.

Now make a decision to manifest something simple. Place your order with the Universe (your private, personal Field of Potentiality Amazon account) – evaluate your energy – are you confident you'll receive it? If not, use your tools to discover why and transform that energy. Write about the process of deciding/placing your order, letting go of the "how," maintaining your "order on the way" confident energy and your receipt!

I decided to manifest _____

I maintained my "order on the way" confidence by using these tools and this is how my order was delivered:
