

The Game of Life for the 21st Century Worksheet

Module 18 – Chapter: Casting the Burden – Want Energy and Treatment for Prosperity

Think of something you've wanted for a while but have not received and ask yourself the "Want Energy Questions" to evaluate your *want energy*.

Question #1: Do I want _____ because of the joy it will bring me?

Question #2: Do I want _____ because of the fear I feel at not having it?

Look closely at the fear that has blocked your receipt. Then use your tools to shift the energy to love.

Question #1:

Question #2:

This is what I did to shift my energy to the love vibration:

This is how what I wanted manifested:

The Game of Life for the 21st Century Worksheet

Bonus Worksheet

Write down something you want that you feel you is a struggle to get – or not possible for you.

I feel resistance energy when I think about wanting:

Write down something you want that you know is easy for you to get or receive.

I know without doubt that I can have:

Look closely at how differently you feel with regard to the two energies. Look at the resistance energy and follow the breadcrumbs to where it was birthed and transform it to love energy to freely access your creation energy. *When I followed the breadcrumbs of the Resistance Energy, I discovered:*

I transformed the Resistance Energy to the love vibration and manifested:
