

The Game of Life for the 21st Century Worksheet

Module 23 – Perfect Self-Expression or the Divine Design – Y

Your birthright is to be happy and live a life of great joy, happiness, and prosperity. When I asked you to take a deep breath, close your eyes and ask your heart: *What is it that I'm to do that will fulfill my potential and bring me the greatest happiness?* What popped into your head? Expand on that now and **dream big!** Then ask, *Infinite Spirit, please show me what action steps I am to take to fulfill my potential and live my happiest, most prosperous life - show me a definite lead!* Write down everything that pops into your head!

When I asked my heart, "What is it that I'm to do that will fulfill my potential and bring me the greatest happiness?" this is what I experienced:

When I asked, "Infinite Spirit, please show me what action steps I am to take to fulfill my potential and live my happiest, most prosperous life - show me a definite lead!" this is what I was shown:
